## Methodists Sign Contracts For Erection of New Sanctuary

The signing of contracts this week with Steed Brothers assures the early start of construction of the new Sanctuary for the Sierra Madre Methodist Church.

The first of four units in a master plan will parallel Sierra Madre Blvd. and face out on Michillinda. Completion of the structure will represent an initial investment of \$37,000, exclusive of furnishings, but including the trilon which already has been erected. Occupancy should come sometime in October.

Due to rising costs some items have been temporarily omitted. However, no alteration has been made in the basic pattern of the building.

A special service for the baptism of infants and small children will be held in connection with the observance of Palm Sunday. The Junior Choir will be featured with the adult choir in a special arrangement of "Hossana" by Bitgood.

The adult choir, under the direction of Sam Kirk, will sing "Ride On, Ride On In Majesty" by Scott. Dr. McPheeters' sermon topic will be: "Jesus Visits the City."

Two identical services will be held on Easter Sunday, at

9 a.m. and 11 a.m. There will be an abbreviated session of the Sunday School from 10 to 10:45. Nursery and child care will be provided throughout the morning.

## Mme. Babin, 84, Breaks Hip in Fall

Mme. Berthe Babin, chairman of the Needlework Section mother of Mrs. Lee Shippey, suffered a broken right hip in a fall last week.

The broken bone was pinned together in Los Angeles last Friday and Mme. Babin is reported to be doing as well as could be expected. She is 84.

Mme. Babin expects to be released from the hospital Saturday, but may have to spend a week or so in a nursing home before returning to her home in Sierra Madre.

## Big Jubilee Greeting Ready for Old Timers

Been postponing that visit to an old friend? Ever wonder what happened to what's-his-name, or what became of that pretty girl down the street? Set aside the week of April 15-21 and find out all the answers.

For, during Diamond Jubilee Week, old-timers will return to Sierra Madre, receptions will be held for former city officials, school teachers and others. Catch up on news and events at the community dinner or any of the other special events scheduled for the week.

A reception will be held at the Highland Ave. School the afternoon of April 19. Mrs. Ruth Baldrige and Mrs. Virgil Nordyke are co-chairmen. Retired teachers, former board members and principals are to be invited, along with former students who attended any of the three frame schoolhouses.

**Date for the city hall** reception, when former city personnel will be honored, is still to be announced. Lawrence Bevington and Lorne Pratt are chairmen.

A pageant depicting the past of Sierra Madre is scheduled for April 17. Mrs. Virginia Steinberger will direct the staging, with Stewart Matter taking over the musical direction. Dr. Raymond Pease has composed a special theme song for the pageant.

The first reading has been held, with rehearsals slated to begin this week. Anyone wishing to participate should contact one of the directors.

## More Funds Sought for Library

An appeal for more funds to run the Public Library here was made Monday night by Webster Vannier, president of the Library Board.

Mr. Vannier, who discussed the budget at a meeting of the Friends of the Library, said that other cities near Sierra Madre appropriate a larger part of their budgets to run their libraries than is the case here.

"The only way to influence the City Council," said Mr. Vannier, "is through votes. So it's possible that we (Friends of the Library) should form a pressure group in order to get more money for our library."

For the 1955-56 fiscal year, the City Council appropriated \$18,696 to the Library. Of that amount, \$3,000 was spent to buy books.

Mr. Vannier said he would like to see enough more money appropriated in the new budget to permit the library to spend 20 per cent of it to buy books, periodicals and other reading material.

Earlier, City Administrator Lawrence C. Bevington said the city attempts to allocate its budget in a way that is most useful to the taxpayers.

"Every time an additional cent goes to the Library," Mr. Bevington said, "another penny is diverted from someplace else. Everybody wants more money."

Mr. Bevington also discussed the one per cent sales tax increase which goes into effect April 1. He reiterated past statements that the increase will bring about \$40,000 a year and that the money will be spent on capital improvements. The Friends and members of the Library Board agreed that the Library should have more reference books for young students.

Some searching questions were raised by Dr. Nathan Jacobs, a member of the Friends of the Library. Among other things, Dr. Jacobs asked:

1. Are outside surveys made by library authorities to determine what books are needed here?

2. Who determines what books are to be purchased? Why didn't the Library buy "Something of Value," a lengthy report on Africa by Robert Ruark which was on the best-seller list?

3. Are small pressure groups dictating what books should

## Judging of Princesses To Take Place Sunday

Opening of Sierra Madre's 1956 Wistaria Festival is set for tomorrow.

The annual fete marks the springtime blossoming of the world-famed Sierra Madre Wistaria Vine. Grounds of the vine at 201 West Carter ave. will be opened to the public through April while the vine is in bloom.

The vine, considered the world's largest blossoming plant, will be in full bloom for Easter Sunday.

As in past years, thousands of visitors are expected to see the vine this season as they have in past years.

The vine, which has helped make Sierra Madre famous, is 64 years old this year. This is the 42d year it has been shown to the public. During World War I it was opened as a Red Cross benefit.

Selection of five princesses from among teenaged girls of the Sierra Madre area will be one of the first activities of the season, it was announced.

Girls 16 or over who wish to enter the contest, which will climax with the selection of a 1956 Wistaria queen, should appear at the vine grounds at 9 a.m. next Sunday.

Preliminary judging will be done at that time.

Judges are Mayor Charles James; PTA President Claude Brown; Don Jackson, past president of the Chamber of Commerce; Harry Elwood, publisher of the NEWS, and City Administrator Lawrence Bevington.

The four princesses and the queen receive "A Day in Hollywood." It will include a tour of a major motion picture studio, a visit to television studio and lunch at the Brown Derby.

Also, Lucy Marquardt, Renee Tallantyre, Eleanor Baumeister, Courtney Miles, Grace Weber, Dr. Nathan Jacobs, Robert Jenkins, Norma Chuan, A. L. Suman, Henry Hawhurst, Elmer and Myrtle Weese, Blanche Pannetier, Beatrice McIvor and Catherine Tuttle.

The exhibit will be hung by Elmer Weese.

## Red Cross Drive At 40 Pct. of Goal

The Red Cross here has collected \$2,800 to date in its fund drive that started March 1. Mrs. Florence Peterson, executive secretary of the Sierra Madre Chapter, reported yesterday. The organization's goal is \$6,913.

Those not yet contacted who wish to contribute may call the Red Cross at ELgin 5-0745. Fund workers will arrange to pick up their contributions.

SIERRA MADRE'S Senior Girl Scouts of Troop 3, Mariners of the Sea Nymph, opened their annual Rummage Sale today at Youngland's old location, 34 N. Baldwin Ave. The sale will be held daily to March 26. Good clothing, furniture, trunks, books, dishes, etc., are offered at bargain prices. Proceeds help finance the girls' four-day stay at Newport Girl Scout House and a hoped-for five-day cruise to Catalina or Santa Barbara Island. Those "modeling" hats above are, from left: Muriel Peterson, Toddy Draeger, Diane Twedell and Helen Jean Hippenstiel. Mrs. T. E. Dammeyer is chairman of the sale and Mrs. Charles E. Peterson, skipper. Call ELgin 5-9567 to have rummage donations picked up.

STEPHEN E. SKIDMORE, left, inspector of the 608th Masonic District, presents a 50-year pin to Wilbur S. Hull, treasurer of Sierra Madre Lodge No. 408, F. & A. M. Taking part in the ceremony at right is William E. Bow-

ers, master. The pin was presented to Mr. Hull early this month in recognition of his 50 years as a Mason in good standing. Mr. and Mrs. Hull live at 542 W. Montecito.

## Time to Pay the Bill

Not long ago a tousle-haired little boy clung in desperation to the side of a mountain, screaming in terror at the awful realization that his life almost certainly would end in pain and panic.

The boy's screams were heard and, before despair loosed his hold, willing hands lifted him to safety.

He owes his life, as do many others, to a small group of men who for many years have trekked into the canyons—often at considerable cost and danger to themselves—to save human beings in trouble.

These men have made the gift of life—at their own expense.

They have received no pay, and have themselves furnished their life-saving equipment.

But the scene described above has been enacted too frequently in recent years. Equipment is wearing out and new items are needed to cope with the

snowballing rate of mountain accidents.

It's time for a grateful citizenry to pay its bill.

So far, the drive to furnish equipment for the Sierra Madre Search and Rescue Crew has brought in about \$257.

The rescue group estimates its minimum needs—to replace worn-out equipment and to purchase vitally-needed new items—at \$952.

The entire cost of outfitting the group is about \$2,000—but the men themselves are furnishing the other 50 per cent.

So there it is: \$257 collected, \$695 to go. Not a score to shout about, to date. Why not improve it?

Send contributions to: Sierra Madre Search and Rescue Crew, c/o Don Jackson, 18 W. Sierra Madre Blvd., Sierra Madre, Calif.

Some day it may be your child up there on the mountain.—W.F.T.

## And Suddenly It's Spring

Lee Shippey asks

What Do You Think?

Mr. Dulles says his strategy has forced the Soviets to abandon their strategy of the previous 10 years, so now we must make our strategy more flexible.

Mr. Dulles has a gift for high-sounding phraseology—such as “massive retaliation,” “agonizing reappraisal,” “brink of war” and “flexibility”—which covers lots of ground but has no exact meaning. But the facts seem to be that the Soviets have picked up the Point Four program, which we discarded, and are making it work so well we must revise and expand that discarded strategy under the nice new name of flexibility. Pardon my stupidity, but whose strategy is forcing whom?

ALL OF US who have lived here 20 years or more must sincerely mourn the passing of Eugene Damon Burbank. Mr. and Mrs. Burbank were as kind as they were cultured, and one could hardly say more in praise of anyone.

But they were more than that. They were keenly conscious of civic responsibilities, especially to those less fortunate. From simple acts—like taking children from the Children's Home we had here before we felt that such homes should be some other community's responsibility—for outings on the beach, to sincere efforts for a Chamber of Commerce, the Burbanks could always be counted on.

Mr. Burbank was such a gentleman that even when he warmly and stoutly disagreed with one on men and things in

politics, one's respect and admiration and liking for him were never impaired.

A FORMER SIERRA Madrean now living in Pasadena phones me the hope that when the Star-News and Independent combine they will continue to run the comic strips by Clare Victor Diggins, or Dwig, which the Independent has been featuring.

All of us who remember when comic strips were humorous instead of melodramatic can echo that hope.

For many years, “School Days,” “Tom Sawyer” and other Dwig cartoons delighted Americans from coast to coast.

They had that touch of nature which makes the whole world grin. The drawing was far above the modern average and the characters were lovable. Until the Philadelphia Public Ledger died during the depression Dwig's comic strips were among the most popular in this country. Now Dwig is 82 but his drawing seems to improve with age.

Recently the most noted gallery in Los Angeles displayed some of his panels, suitable for children's rooms, and thought so much of them that it priced them at \$400 each.

More recently the Pasadena Art Museum exhibited his work and more than 500 persons attended on opening day, delighted to see the originals of humorous drawings they had seen in print 30 to 40 years ago. The Farm Journal, which has been running Dwig's cartoons regularly for many years, finds they still have great appeal.

## OUT OF THE COBWEBS

49 YEARS AGO THIS WEEK, March 22, 1907—Joe Kramer, a conductor on the Sierra Madre and Lamanda Park line, accidentally fell from his car going at full speed, near Eastlake Park, Thursday of last week, and narrowly escaped death. With the exception of a few slight bruises about the head, he sustained no injury.

Mr. Mead has moved into his new home on Baldwin Ave.

FOR SALE — Burro, with child's saddle and bridle, \$20. A perfect animal, small size specially suited for young children. Apply to J. R. Bransby, Palm St.

20 YEARS AGO THIS WEEK, March 20, 1936—The Sierra Madre Juniors are sponsoring a Reciprocity Tea and Fashion Show on Sunday, March 29, at 3:30 p.m. in honor of Mrs. J. H. Robertson, State Advisor to Juniors. Those who will model are: Barbara Hollingsworth, Genelle Paschall, Ruth Klunk, Cricket Caukin, Evelyn Solary, Angeline Per Lee, Grace Allen, Alice La Lone, June Lacey, Cynthia Hull, Martha Sharp, Martha Tiller, Marion Dally, Dorothy Walsworth and Jane Holland.

“Where Nothing Ever Happens,” Lee Shippey's now-famous book about “Ourville,” is going to be published in England. George Harrap & Co. of London has purchased the English publishing rights to “Where Nothing Ever Happens.”

10 YEARS AGO THIS WEEK, March 21, 1946—Sierra Madre's greatest asset for nation-wide

publicity, the 63d annual Wistaria Fete got off to a fine start on the opening day, Thursday, and nearly 3,000 people visited the vine Sunday when the Queen, La Vonne Babbitt, was chosen with appropriate ceremonies.

Among the local Wilson Junior High students appearing in the cast of “Ring Leader” are Seymour Giffand, Don Springer and Mike Suman.

Dr. Adele Howland, well known Sierra Madre resident, is author of the book, “Why Grow Old” which has recently been published by the Christopher Publishing House of Boston.

Miss Elizabeth Steinberger, Sierra Madre Woman's Club president, and Miss Clara Sykes will represent the club next Monday at the Los Angeles County Women's Club Convention at the Biltmore.

Mr. and Mrs. William B. Wilcox of Orange Drive moved last Saturday to the residence at 312 E. Grand View. This was the home of Mr. and Mrs. Dick Lees, who have recently moved to Long Beach.

## Around the Square

It all began when Dottie Underwood, NEWS ad gal, went next door to Byron Hopper to borrow an advertising mat for Jim Wolfe. Only, Byron Hopper couldn't find it under anything or in anything and so he told Dottie he must have thrown it out in the trash.

“Where do you throw your trash?” asks undaunted Dottie. “Out in back of the NEWS office,” admits Mr. Hopper.

So that's why Dottie was seen delicately trash-hunting in the alley, causing Mrs. Peg Lusman to observe that things had come to a pretty pass, indeed.

But the story has hardly begun. Dottie went deeper and deeper and less hopefully into Mr. Hopper's trash, when suddenly at the very bottom she found a carton that was heavy. She pulled it up, opened it—there reposed 12 glittering sets of cuff links and tie pins, marked with the names of the different countries where they had been made. And priced to total \$50. So she went back to the jeweler's store.

“Honey, did you mislay these?” she asked. Mr. Hopper was unable to say anything. He was shocked speechless.

And the next morning the trash was collected.

NEW ARRIVALS in town: Dr. and Mrs. Fernando Tellez, their one son and three daughters. Dr. Tellez is the brother of Juliette (Mrs. Manuel) de la Torre, and has a large practice in Pico, to where he will commute.

The Tellez's bought Mrs. Robert Wright's beautiful and authentic Mexican house on Alegria. The Wrights lived in Mexico many years, brought ideas and atmosphere back with them, created a home of almost ageless serenity.

CONSIDERING HOW frequently we write to him, has anybody ever seen H. L. Byram, tax collector?

LATE FRIDAY afternoon the snow geese flew low over Sierra Madre. That's such an elemental sign of the seasons that people stood watching all along the Boulevard, their faces relaxed and sort of undone.

The leader geese flew in perfect formation and then the line fluttered and thinned down to the stragglers, heading instinctively for the break in the mountains that would take them north. They come by every year.

SO PADDI OWENS' name is not Patty. How would a pair benighted Anglo-Saxon guess that?

ABOUT FIFTY Sierra Madreans are still chucking at artist Zorthian's story to illustrate how a painter may mean one thing in a canvas while the viewer sees another.

SEEMS THERE were three wealthy college boys outdoing one another in Christmas presents for their mothers. One sent a Cadillac, one a mink coat. The last one finally found a parrot which spoke English, French and Italian and could argue mathematical theory. He paid \$10,000 for it and shipped it home.

When he got no thank-you note, he wired asking if his present had been received.

“Yes, darling,” wired back his mother. “And thank you for your thoughtfulness. It was delicious.”—M.C.P.

## LOCAL PROBLEM

There are too many people trying to save the world, and too few trying to save themselves.

## Letters to the Editor Column

To the Editor:

May I take this means of answering a question put to me many times during the four years I have served in Congress?

The question is, “Why do you run on the opposite party ticket as well as your own in the California primary election? How can you serve two masters?”

My answer is that I don't. Upon taking the oath of office I agreed to serve no master, but rather all the individual

citizens of the 21st Congressional District, Democrats and Republicans alike.

When one seeks help I do not ask how he is registered, because our laws provide that every Congressman is a representative of his entire district—not just of the people who voted for him.

To keep informed of district sentiment on crucial issues I have sent out questionnaires regularly to people in both parties.

The California cross-filing

system has great benefits for the voter. It allows him to stamp approval or disapproval of the service of a man in the opposite party long before that man's term expires. That's why I intend to run on both the Democratic and Republican tickets this June.

Sincerely yours,  
EDGAR W. HIESTAND,

### YOUR HEALTH

By Roy O. Gilbert, M.D.  
Los Angeles County Health Officer

The discovery that a person has a heart disease is not necessarily a sign that the individual need be shelved or live the remainder of his days as a semi-invalid. Such pessimism is unwarranted, and is largely due to a common lack of understanding about the ability of heart patients to return to their normal jobs.

The labor force of the nation would be at a far lower figure than it is today if it were customary for disability to follow a heart attack. Out of an estimated 10 million Americans with heart conditions of one kind or another, the great majority live productive and useful lives. In Los Angeles County alone there are an estimated 167,000 individuals with heart disease who are, nevertheless, gainfully employed.

There is nothing startling in the fact that most people with heart conditions go back to work. It is a matter of medical record that complete recovery is achieved by 40 out of every 100 persons who suffer heart attacks, and another 25 per cent make good enough recoveries to lead useful if slightly restricted lives. What is more, the great preponderance of individuals who recover from a heart attack safely return to their former jobs.

One study made by the U.S. Department of Labor shows that there is very little difference between cardiacs and non-cardiacs in work output, absenteeism, or accident rate. So most people who have suffered from a heart attack can be expected to do their work in the same manner as before their illness.

In general, there is evidence that work activity following recovery from a heart attack does not lead to the progress of the disease or deterioration of the physical condition of the heart. The basis for this belief is backed by the experience of the Work Classification Unit, founded in 1941 at Bellevue Hospital of New York City, which has studied the case histories of 580 persons with heart disease. One-half of the patients studied had a heart condition for five years and about one-third had it for more than 10 years. The great majority had worked at their usual jobs since their heart ailment was discovered.

Even when working as usual, there was no important heart change in 50 per cent of the patients, and there was an actual improvement in 19 per cent. Of the remainder, it must be noted that any group of people studied for a number of years will be decimated by death, and frequently it is not the chronic heart disorder that kills them.

Many authorities contend that reasonable and consistent physical exercise helps in the prevention of some forms of heart disease, but it must be mentioned that the extent of physical activity must be conditioned by the judgment of a physician. He alone can decide whether a patient's job is too strenuous for the heart condition or the damage that may have been suffered.

## Santa Anita Chit-Chat

By Anita  
EL. 5-7846

Easter Vacation is coming. "Hi, Ho," or "Oh, No!" depending upon "what kind and how many" children you may have. The Recreation Department has a really fine program worked out with enough activities to meet the needs of almost any child.

To meet the needs of mothers with last minute shopping, the Cub Scouts of both Sierra Madre and Sierra Mesa Schools are showing a movie at the Sierra Madre Theater on March 29 at 2 p.m. The picture is a good one, "Knights of the Round Table," and some Disney cartoons and a short feature, and there will be plenty of mothers on hand to supervise.

If you don't have a Cub Scout living near you with tickets to sell, call me and I'll send one over to deliver the tickets. They are only 25 cents. All of the money goes to the public school Pack 351.

**FOUR NEW FAMILIES** are due in this area this week or next. They are the A. P. Hartmans, of 341 E. San Gabriel Court; the James Vines, of 101 S. Holdman Ave.; the R. H. Morgans, of 81 S. Holdman Ave., and the Ed Kiesers, of 351 E. San Gabriel Court.

**JUANITA AND ANDREW** Coscia opened the pool-side party season with a family dinner last Sunday. Guests were Mr. and Mrs. Clyde Carpenter and their children, and Mr. and Mrs. Bernard Perlin and their child. Philip Coscia celebrated his ninth birthday with the members of his Cub Scout Den, Denners partaking of the king-size angel food birthday cake and ice cream were Bruce Caswell, Jay Preston, Malcolm Roame, Kevin Burke, Larry Lydick and Scott Stevens.

**GLEN AND SHIRLEY** Nebel, of 21 S. Holdman Ave., have relatives visiting from Chicago. Mr. and Mrs. W. Kaspar will take over the Nebel household while Glen and Shirley take off for San Francisco for fun and business.

**PRETTY HELEN PRESTON** (Mrs. William), of 212 Olivera Lane will be taking her Cub Scouts to pan gold up the West Fork of the San Gabriel Canyon the first part of the vacation week. With two Explorer Scouts to aid them, Bruce Caswell, Jay Preston, Malcolm Roame, Kevin Burke, Philip Coscia, Christ Gordon, Philip Potter and Larry Lydick should strike pay dirt.

**VERLA HORSWELL** (Mrs. Leo W.) will be guest of honor at a shower and tea this afternoon at the home of Mrs. Rex Hoe Smith, 150 Colony Drive. Guests include Mrs. A. Foxton, Mrs. John Tavis, Mrs. William Pennington, Mrs. Lester Barkley, Mrs. Martin Berdahl, Mrs. Eugene Bell, Mrs. Arthur Albertson, Mrs. John Tolfree, Mrs. Neil Hanson and Mrs. Raymond Jahrde.

Many a man's financial goose has been cooked in a jackpot.

## Social and Club Activities

Mrs. Richard Harold Price

The Lutheran Church in the Foothills was the scene of the wedding of Ann Van Dusen Keilholtz, daughter of Mr. and Mrs. Richard Conklin Keilholtz of La Canada, and Richard Harold Price, son of Mr. and Mrs. Raymond H. Price, 234 W. Highland, last Saturday night.

The Rev. Hugh David Burckham, pastor of the La Canada Presbyterian Church, officiated.

The bride, given in marriage by her father, chose a white silk gauze Cahill gown fashioned with a long torso and bouffant skirt which ended in a sweep train.

The cuffed neckline, embellished with soutache braid, dipped to a deep V in the back. The braid was used at the neckline and near the hem.

Her French illusion fingertip veil was held by a crown of pearl spikes and she carried a bouquet of white roses and lilies of the valley. Her pearl necklace was brought from the Orient by her grandparents, Mr. and Mrs. K. H. Keilholtz, for the occasion.

The matron of honor, Mrs. Robert Mueller, the former Sally Keilholtz, wore a long torso, scoop neck and full skirted frock of pure silk with splashed tones of yellow and green butterfly print on an off-white background. She wore a yellow flower crown with a lace veil and carried white tulips.

The bridesmaids, Carolyn McCarthy, Sylvia Noble and Geneva Mallehan, Delta Gamma sorority sisters, and Mrs. Warren Peterson, wore similar gowns and green veils. They also carried bouquets of white tulips.

Robert Mueller, brother-in-law of the bride, was best man and the guests were seated by

Warren Peterson, Richard H. Kill, Paul P. Robinson and John Dawson.

Richard Keilholtz Mueller, 2 1/2-year-old son of Mr. and Mrs. Robert Mueller, wore a white linen suit and was ring-bearer.

The mother of the bride was attired in a slate blue lace dress with matching accessories accented by a white cymidium corsage.

The groom's mother wore an aqua crystalline sheath dress with side bow and drape to hem. The slightly off-shoulder neckline tapered to a V and the close-fitting hat had a cascade of flowers down the back.

Reception was held in the Terrace Room at the Huntington-Sheraton Hotel.

The bride is a graduate of Anokaia School for Girls and attended the University of California at Santa Barbara where she pledged Delta Gamma. She is a member of the Junior Auxiliary to Huntington Memorial Hospital and was presented to society at Bal Blanc de Noel Les Fleurettes.

The groom is a graduate of Pasadena City College and currently is attending Cal-Poly at San Luis Obispo, where he is in his senior year in the engineering college.

When the newly married couple left of a honeymoon at San Francisco, Squaw Valley and Lake Tahoe, the bride was attired in a red wool top coat and red and white polka dot silk sheath dress and bolero ensemble with a white straw sailor and black patent accessories.

The couple will live in San Luis Obispo while Mr. Price completes his schooling and then will move to Pasadena.

## Soloists Featured At NSAL Meeting

The National Society of Arts and Letters met March 20 at the public library in the lecture room on Walnut St. in Pasadena.

The program chairman, Florence Tompkins, introduced the following artists:

Vincent J. DeHonestis, charter member of the U.S. Navy Band, Washington, D.C., who played concert numbers of his own composition on the piano, and also request numbers analyzing the musical letters in the names of some of the executive board members.

Cubmaster William Barnes has promised a most interesting evening. This month's theme is on underwater life and the cubs, in their respective dens, have been studying the different forms of underwater life and making clay models of some.

## Christians Scientists Sponsor Lecture by Chicagoan Here

How to apply Bible teachings in solving individual, home and other problems will be the topic of a free public lecture on Christian Science to be delivered in Sierra Madre on Sunday by Arnold H. Exo, of Chicago.

A member of The Christian Science Board of Lectureship, Mr. Exo will speak under the auspices of First Church of Christ, Scientist, Sierra Madre, in the Sierra Madre Public School Auditorium at 3 p.m. His subject will be "How Christian Science Makes God's Power Available."

Currently on a nationwide lecture tour, Mr. Exo has lectured extensively in Great Britain, Ireland, Continental Europe, South America and the Caribbean.

A native of Iowa, he had a successful career in the sales and advertising field prior to leaving the business world to devote his full time to the practice of Christian Science.

He has been active in the denomination since 1928 and served as a Christian Science Wartime Minister during World War II. He has been an authorized teacher of Christian Science since 1949.

Care of children will be provided during the lecture.

## Temple Services Will Dwell on World Calendar

The Foothill Jewish Community Center, 212 N. Lima St., will hold Friday night services March 23 beginning at 8:30 o'clock. Rabbi Charles W. Steckel, spiritual leader, will speak on "The Zigzag of the World Calendar."

The proposed change of the calendar is coming up again at the U.N. in April. Such a change of the calendar would have devastating consequences on the religious life of Jews as well as many other religious groups because the Sabbath would be shifted every year to another day of the week and twice so in leap year.

The "World Calendar" is being opposed not only by Jews but also by Christians and Moslems. In 1955 our State Department published strong objections against the "World Calendar."

Assisting in the services are Cantor George David to chant the hymns and prayers, with Mrs. Herbert Stevens accompanying at the organ.

Mr. and Mrs. I. Atlas and Mr. and Mrs. L. Kustner of Monrovia will be the hosts at the Oneg Shabbath following the services. All who wish to attend the services are welcome.

## Ministerial Group Plans Services On Good Friday

The Sierra Madre Ministerial Association again will sponsor Union Good Friday Services. The meeting will be from 12 until 1:45 p.m. March 30.

The meetings are scheduled this year in the Congregational Church.

Dr. Schaper, president of the Association, has announced that a new type of service will be held. There will be seven periods of 15 minutes each to commemorate the seven last words of Jesus Christ.

During these 15-minute sessions there will be special music, scripture, devotional poetry and a period of meditation. This will replace the usual series of messages that have been delivered in the past, and it is felt that this new type of meeting will afford each individual greater opportunity for private meditation and devotion centered upon the suffering and death of Christ.

The Congregational Church, Bethany, the Nazarene, Methodist and Presbyterian churches are cooperating in this venture.

## March 26 Set For Seder at Center Here

A community Seder will launch the Passover Festival at the Foothill Jewish Community Center on March 26 for members of the Temple.

The Passover Festival this year begins at sunset on March 26 and ends April 3.

Historically, Passover commemorates the anniversary of the liberation of the Israelites from Egyptian bondage. It is the birthday of the Jewish Nation. It is the Festival of Freedom.

Passover begins with a "Seder" or "Order of the Service," which is conducted at this feast on the first and second nights. As this is a home celebration it is a great occasion for family reunions.

It is during this time and for the whole week that Matzos, which is unleavened bread, is eaten. It is the "Bread of Affliction," the "Bread of Poverty," made hurriedly because the Israelites had to depart in haste and to keep traveling.

During this seder, on both nights, the "Haggadah" or "The Story" book is used. It contains the order of the service and is a compilation of extracts from the Bible, the Talmud, the Psalms, the prayer book and special prayers and songs for this time.

Altogether, it forms a comprehensive account of the stay of the Israelites in Egypt, and their final departure. The predominant feature of the celebration is our faith and confidence in the God of our forefathers, who delivered the Israelites from Egypt. That faith has preserved our spiritual freedom through the ages.

People who fire up quickest don't make the best matches.

Don't find fault—until you first find a workable remedy.

## Garden Notes . . .

## Planters Bring Full Flavor To California Outdoor Living

Whether or not the term, "outdoor living," was coined in California is a matter of debate (Floridians say otherwise) but certainly Californians enjoy a maximum of outdoor living and thus may extend their gardening area to include planter boxes containing a great variety of shrubs and flowers.

While they eat, sleep, read and loaf outside in patios and terraces, Californians have a great opportunity to enjoy plants close-at-hand. Plants grown in containers can be moved about on a patio and become as familiar a part of the outdoor living room as the furniture is of the indoor living room, the California Association of Nurserymen says.

Probably one of the brightest and cheeriest plants is the Bougainvillea, and as such it is wonderful grown in high planter boxes so that the vine can spill over the side attractively.

A sun-lover, the Bougainvillea blooms in gorgeous shades of red, pink, purple and scarlet. It should be planted in a frost-free area.

Planter boxes are attractive containers for an outdoor scene and in such containers the familiar and friendly Morning Glory in bush form (Convolvulus cneorum) makes a lovely planting. Its foliage is silvery-gray and the flowers white or pinkish. Plant it in the sun, also.

Another low, training shrub outstanding when grown in a container is the Lotus. Blooming in scarlet, crimson or yellow flowers, it has a lovely contrasting foliage of silver. Plant the Lotus in sun or partial shade.

These plants are but a few of the many which do well in containers. Ask your nurseryman for further suggestions for container subjects to decorate your outdoor living room.

## Washington News

By Edgar W. Heistand  
Rep., 21st District

The House has passed the Upper Colorado River Storage Bill, possibly the greatest socialistic give-away ever foisted upon the American taxpayer.

It passed by 256 to 136 over the impassioned pleas of the entire Southern California delegation. We united behind Rep. Craig Hosmer of Long Beach, a member of the Interior and Insular Affairs Committee who successfully stalled the project last year.

We fought it to the wire. We couldn't beat it, but we left many a scar. It will be years, I hope, before the House leaders decide to challenge us again.

The bill provides for a \$756 million water and power development in Colorado, New Mexico, Utah and Arizona. That sounds acceptable on the surface. But the experts say the eventual cost will be more than \$4 billion, resulting in the development of a lot of unneeded farm land at a cost of \$5,000 per acre to produce more unneeded surplus crops.

**POSSIBLY WE FOUGHT** it too hard. Possibly we repeated our points so many times, and inserted so many facts in the Congressional Record, that the delegations from other states began thinking California had too much to gain by beating the bill.

But more than likely the project passed because of an emotion-packed, almost desperation appeal from both sides of the aisle during the last moments of debate.

"Let us give these mountain states a chance to live," one speaker pleaded. This wasn't the issue at all. No Californian ever could vote to deprive any section of our country of its right to exist. But the plea worked. The votes began to fall in line.

It might have been a tight contest, but when passage seemed assured a lot of House members switched over to the "Aye" side. This is typical "election year strategy," despite its questionable value. Some members seem more concerned with maintaining a "favorable" voting record than maintaining their convictions. Voting for the bill were 136 Democrats and 120 Republicans. Opposed were 63 Democrats and 73 Republicans.

**BESIDES ITS** socialistic hazards, the Upper Colorado bill has special dangers for us of Southern California.

It means the possible loss of half our water rights, depending upon the Supreme Court's decision in the Arizona vs. California case. Loss of our water would seriously impair, if not virtually nullify, future growth of the Southland.

The project will cost Californians some \$372,800,000, based upon the total estimated cost of \$4 billion for the dams and storage basins. From this expenditure we will gain absolutely no benefit.

For these reasons alone I shall continue to call the project a boondoggle; rather, a socialistic swindle.

We did our best and lost. We simply didn't have enough votes. And true to tradition we shall abide by the majority.

*Growing fast with fast growing Southern California*

Nineteen fifty-five was a record year for California Water & Telephone Company. And nineteen fifty-six promises to be a year of greater achievements—in telephone installations, central office development, outside construction, and financing.

California Water & Telephone Company provides telephone service to twenty-six fast growing cities and towns in Southern California. The Company has taken advantage of the most modern automation developments in the communications field and has today one of the most highly mechanized telephone systems in the nation.

## 5-YEAR RECORD

To meet the heavy demand for service California Water & Telephone Company has more than doubled the number of its telephones during the last five years, bringing the total served to nearly 100,000.

To make this expansion possible the Company spent large sums each year for the development of plant facilities.

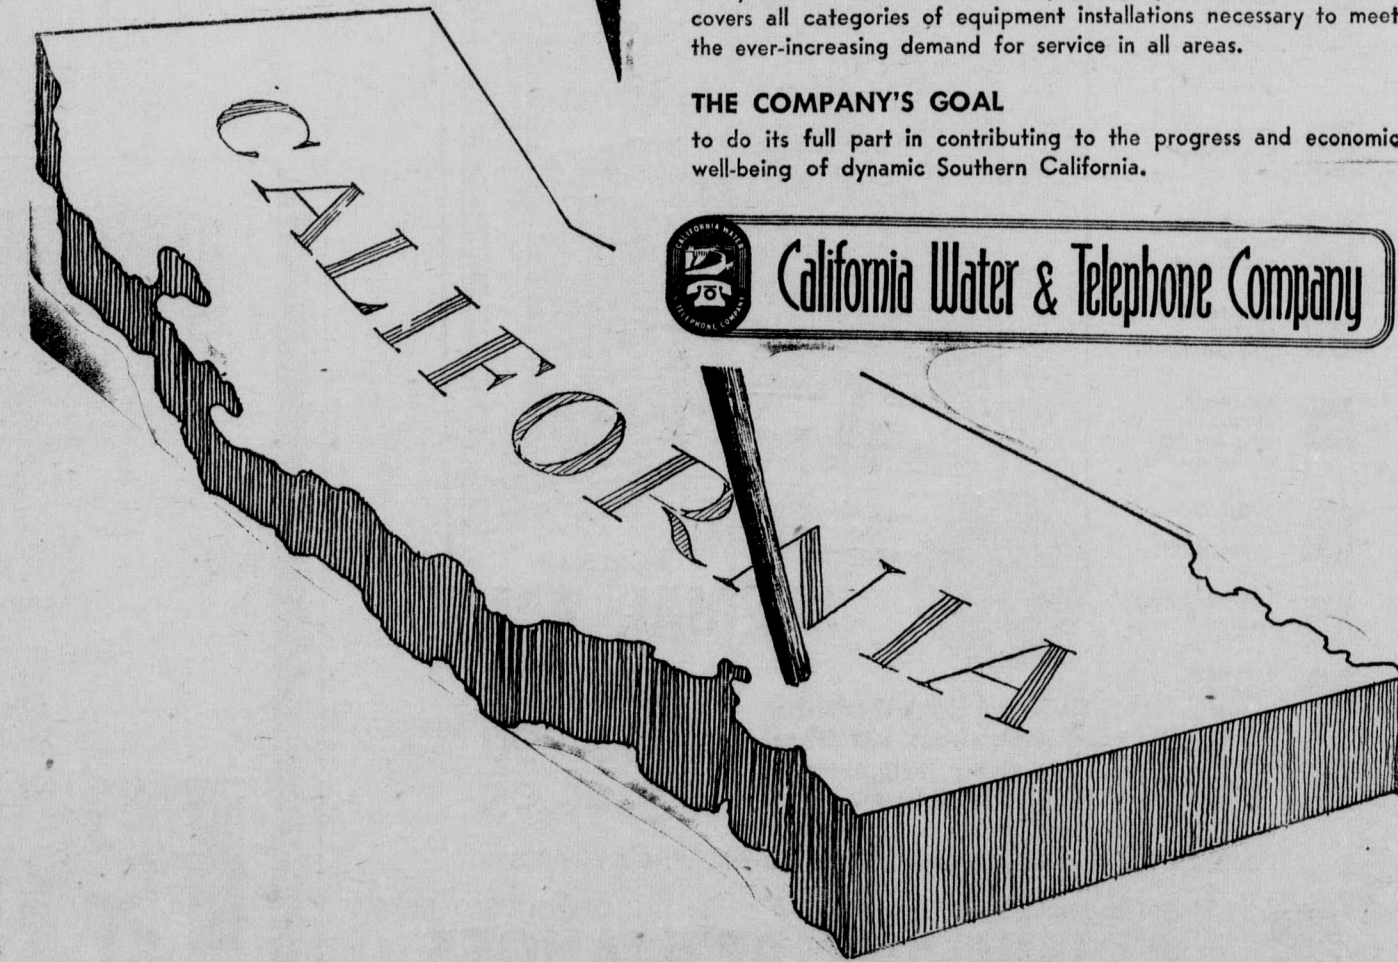

in 1951 . . . . . \$2,900,000  
in 1952 . . . . . 3,800,000  
in 1953 . . . . . 4,500,000  
in 1954 . . . . . 5,300,000  
in 1955 . . . . . 6,200,000  
**AND IN 1956 . . . . . 10,800,000**

The 1956 record-breaking construction budget equals the cost of the Company's entire plant facilities at the beginning of 1951, and will bring the total plant investment to \$40,000,000 at the end of this year. The list of 1956 development projects is a long one and covers all categories of equipment installations necessary to meet the ever-increasing demand for service in all areas.

## THE COMPANY'S GOAL

to do its full part in contributing to the progress and economic well-being of dynamic Southern California.

### Newell Barrett Heads Dem Unit On Candidates

Newell Barrett, vice-chairman of the 48th Assembly District Democratic Council, has been named chairman of a Candidate Selection Committee to interview possible candidates for assemblyman from the 48th District, according to Lester Lees, chairman of the council.

The committee has extended an invitation to all such prospective candidates to submit their qualifications in writing to Mr. Barrett at 28 West Sierra Madre Blvd., Sierra Madre.

Other members of the committee, which is representative of the Democratic clubs and organizations in the 48th District, include Lee Shippey, Sierra Madre, author and journalist.

In addition there are on the committee the following presidents of Democratic Clubs in the 48th District: Ray Johnson, Sierra Madre, and John McKenna, Hastings Ranch.

### Bus Route Change Authorized Here

The California Public Utilities Commission today authorized Metropolitan Coach Lines to reroute a short portion of its Sierra Madre-Santa Anita Highlands route No. 67 just east of Pasadena.

The new route is along Orange Grove Ave. between Sierra Madre Blvd. and Sierra Madre Villa Ave. The present route is on Sierra Madre Blvd. between the two intersections.

The newly authorized route, effective March 23, will bisect a residential area instead of operating on the boundary of Eaton Canyon Park.

### RELIGIOUS PROGRAM

Forest Lawn Memorial Park in Glendale has scheduled hourly dramatic religious programs to be presented during the week preceding Easter beneath Forest Lawn's famed stained glass window, "The Last Supper," and in front of Jan Styka's inspiring oil masterpiece of "The Crucifixion." Orchestral music and the voices of 150 choristers will provide the transcribed musical background to the dramatic story of Christ's last days before His crucifixion.

Boys should register next Saturday at the school.

#### Play Programs

Other afternoon play activities for the first four days of the week will include checkers, tops, marbles, kites, motion pictures, and hiking or swimming as weather permits.

## VILLA VIEWS

By Toni Maurin  
Sycamore 7-9634

Well, she's done it again. Spring has up and sprung. Can't you notice the changes that took place around you over night?

It is all duly noted and official. From now on, according to procedure, the earth is to warm up and send forth its tender little shoots of this and that (mostly that), and the land is supposed to turn green again. I'll admit that things are already a little green, but that is because the "this" and "that" forgot to check the calendar.

**THE JOHN B. PRICE** family, of 3390 Fairpoint, had an interesting trip last week to Carlsbad, Calif. They went down to the Army-Navy Academy for the dedication of the new Sam Warfield Peterson Library. Mr. Peterson was Mr. Price's uncle and served as head master at the academy for 27 years until his death in 1943.

**MR. AND MRS. EDWIN J.** Engerran of 1556 Sierra Madre Villa, spent the past weekend in Ensenada, Mexico, with a large group of friends. The Engerrans meet there and manage to make the trip back about twice a year.

**MR. AND MRS. E. F.** Stevens of St. Louis, arrived last weekend to stay with their daughter and son-in-law, Mr. and Mrs. John Chapman, of 1595 Old House Road.

**DR. AND MRS. ALFRED E.** Sandblom, of 1890 Kinneloa Mesa, entertained 65 young people from the Mission Covenant Church in Pasadena with a "Singspiration." Bill Bright of the Campus Crusade gave an interesting talk, and at the close of the evening refreshments were served.

**MR. AND MRS. JOSEPH M.** Phelps, of 1430 Old House Road, recently entertained their uncle, Mr. George Hero, from Boston, Mass.

**CAROLE MCCOMAS**, daughter of Mr. and Mrs. W. F. McComas, returned home March 15 from Brigham Young College. She was here about five days for spring vacation.

**THOSE OF YOU** who are planning to go to Las Vegas in the near future will be happy to know that we did not close down any of the clubs. Everything they had when we arrived they still have and then a bit more.

**MR. AND MRS. A. C. ONG**, of 3335 Trevan Road, returned recently from a 10-day skiing trip to the Reno Bowl in Reno. They went up with about 14 people from the Pasadena Ski Club. They stayed at Whitney's Guest Ranch in Reno, and Mrs. Ong said the snow was absolutely perfect for skiing this time.

**DR. AND MRS. ROBERT L.** Mueller, of 1600 Old House Road, had a weekend outing with their children, Steve and Melissa, at Desert Hot Springs last weekend.

## Local Residents To Attend Dinner For UJWF Drive

Screen star Jeff Chandler and a prominent British Jewish woman leader, Mrs. Barnett Janner, will share the spotlight at the kickoff dinner meeting April 8 at 6 p.m. of the Greater San Gabriel Area of the United Jewish Welfare Fund.

Some 200 UJWF volunteer leaders in this area are expected to attend.

The meeting launching San Gabriel's effort on behalf of a record \$28,000 goal, will be held at the Zanzibar Cafe, 1501 E. Huntington Dr., Duarte.

Norman Zellman, division chairman, will preside. Local volunteer leaders serving on the dinner committee include: Rabbi Charles W. Steckel, 2560 Cartwright, Pasadena; Aaron B. Glaser, 365 W. Sierra Madre Blvd., Sierra Madre; Milton Honowitz, 1435 Tropical Ave., Pasadena; Ralph Albert, 1942 Wilson Ave., Arcadia, and George Roane, 145 Oak Meadow, Sierra Madre.

**THESE YOUNG BATON** twirlers are Hastings Ranch girls enrolled in baton classes at the Pasadena Girls' Club. Kneeling, from left, are Judy Gaspar, Nancy Davis and Nancy Stinebaugh; second row, from left, are Candice Leedom, Sandra Wilkerson, Ann Lubisch and Carol Wilkerson. Third row, from left: Diane Hitchcock, Karen Buttane, Karen Sue Cum-

mins and Susan Hurtig. Not shown are Carolyn Pulaski and Jeanne Jennings. The girls, whose costumes become more elaborate according to the length of time they have been studying, were televised as they took part in the recent Camellia Parade in Temple City and appeared last week in two girls' club programs.

## Scouts Celebrate 44th Anniversary

More than 175 attended the 44th Anniversary Celebration of the founding of the Girl Scout organization at a "birthday party" Thursday at the Eugene Field School.

All Brownie and Girl Scout Troops, sponsored by the school's PTA, joined in the celebration and enjoyed two huge birthday cakes.

A special guest was Mrs. Dorothy Waldren from the East Pasadena District Scout office.

## Rev. Ostrander Named Delegate to General Assembly

The Rev. Donald H. Ostrander, pastor of the Trinity Presbyterian Church, has been elected a delegate to the 168th Presbytery General Assembly in Philadelphia, starting May 4.

He was named along with one other Pasadena minister at the closing session of the March meeting of Los Angeles Presbytery, held in South Pasadena and attended by more than 400 delegates.

Only last November the Trinity Presbyterian Church became a mature church at the meeting of the Presbytery, and now is going forward with plans for ground-breaking of the new Christian Education Building on Easter Sunday, April 1.

## Junior Confirmation Planned Sunday At Faith Lutheran

Faith Lutheran Chapel, 835 Hastings Ranch Drive, will be the scene of Junior Confirmation Rites on Sunday morning at 10:30.

Rev. A. Hesse will administer the rite to the five confirmands: John Ottosen, Diane Meyer, Helen Ottosen, Diane Kloeke and Virginia Abrahams.

The members of this confirmation group will give a testimony of their Christian faith on Friday evening before the Elders of the parish and their parents.

In the Palm Sunday service, the pastor will speak on the theme: "What a King!" The choir, under the direction of Warren Zelt, will present the confirmation song.

The midweek Lenten services in the chapel were concluded this week. Next week a Good Friday service, with the celebration of the Lord's Supper, will be held on Friday eve-

"The Bunny Hop," Wilson's next school dance, will be held tomorrow evening from 8 to 11 o'clock in the gym. The Wilson PTA will sponsor the dance. The Rhythm Kings will play the music and, naturally, the decorations will be along the Easter theme.

**THE PICTURES** of all the officers and organizations for the Wilsonian were taken last Friday.

**BETHANY CHURCH** Junior High and High School departments went up to Forest Home last Friday, Saturday and Sunday on a Bible Conference. Some of the Wilsonites who attended were Carolyn Dawson, Elaine Eastwood, Judy Everest, Karen Ower, Janice Ware, Betty Joe Maule and myself. We surely had a lot of fun.

**THE ATHLETIC** certificates were presented at last Friday's assembly. The Wilson Band played.

**JUNIOR HIGH GIRLS** held a "Friendship Social" last Friday evening at the Girls' Club Ballroom. Also, on Saturday the Girls' Club held its Open House.

**PROGRAMMING** for next year has been taking a lot of thought at school lately. On Wednesday, March 14, the 10th grade parents met with Mr. McNeish in the Wilson Library, where they heard reports from the Senior Class Officers and personnel from Pasadena High School concerning planning their child's program for high school. At the same time the 8th grade parents met at the Willard auditorium with Mr. Arnold and Mrs. Magnuson to discuss 9th grade schedules.

**EASTER VACATION** next week. Hope you have fun, too!

## 4th Birthday for Richard Highman

Richard Highman, son of Mr. and Mrs. Glen H. Highman, 1045 Cynthia, marked his fourth birthday anniversary at a barbecue luncheon.

Those young guests enjoying the afternoon's festivities were Michael and Jerry Brown, Mark Horn, Eddie Bignell, Bo Cowan and Chuck Cumiskey.

All eighth grade students who are taking Science at Marshall had a wonderful time at Griffith Park on the 20th. The entire trip was arranged by Mr. White, eighth grade advisor. Griffith Park, which is famous for its fine golf course, has a collection of birds and animals from all over the world—hundreds of them.

Also, there is an interesting display of famous old steam engines, a real merry-go-round and a bridge path (a trail for people to ride horses on, that is). Everyone enjoyed the trip very much.

**SO WE WENT** to Lake Arrowhead last weekend to enjoy all sorts of sports in the snow. We arrived with snow boots, warm jackets, cameras—everything we needed to enjoy the snow. Only one thing was missing: there was no snow, not even enough to make a very small snowball.

Earlier in the season there had been about a foot of snow, but it was long gone. Anyway, we had fun. We fed nuts to the grey squirrels and took their pictures, rowed on the lake, warmed ourselves before a big log fire in the cabin and saw a swell movie.

**MR. GEYER**, Marshall's very popular gym teacher, just celebrated his birthday. He tells us that, like Jack Benny, he is 39. And there's something to think about. Man, that's getting pretty old! Wonder if we'll ever reach it. Well, we all sang Happy Birthday to him, and he left the gym in a hurry.

**REMEMBER LAST WEEK** when I told you about a famous ninth grade student and the several things he has built? Now I have the story. Norman McCann, of 2247 N. Villa Heights Road, recently built a 20-watt Hi-Fi amplifier with the help of his father. He tells me it only took him about 10 hours of work. The other, a pre-amplifier, was a two-hour assignment. Another attraction is a four-band shortwave receiver that receives stations and ham operators all over the world. Norman is 14 and has built more than 25 models of all sorts. I wonder what he is working on now.

**GOOD-BYE NOW** and remember "If you must kill time, work it to death."

## Las Jardineras To Meet Tuesday With Mrs. Loomis

Mrs. Marvin Loomis, 3630 Hampton, will be hostess to Las Jardineras at noon Tuesday for the monthly meeting of the Ranch home and garden club.

Assisting as co-hostesses will be Mrs. Kirk Lewis and Mrs. John Osborn.

Frank E. Ford, president of the South Pasadena Garden Club and father of a Las Jardineras member, Mrs. John McGraw, will be speaker for the day, showing colored slides and discussing California wild flowers and use of native shrubs. Mrs. Jack Washburn will be the member speaker, presenting ideas for Easter decorations.

Mr. and Mrs. Frank A. Murphy, 3820 Hampton Road, announced the engagement of their daughter, Patricia, to Daniel D. Lane, son of Mrs. Leslie Clancy of La Canada and the late Dr. Deronda Lane, at an open house last Saturday evening.

The happy news was told to close friends and members of the immediate families by a floral centerpiece on the buffet table, in the shape of a shamrock with "Ronnie and Pat" and the date on it.

The bride-elect greeted guests in a beige lace sheath dress adorned with a corsage of

## Junior League Prepares for Annual Party

Members of the Pasadena Junior League Garden Club wielded shovels, rakes and hoes to refurbish paths and approaches to the Pasadena Settlement House prior to the annual open house held last Tuesday to extend thanks to organizations and individuals who have contributed to the operations and attractiveness of the club facilities.

Additional top soil, bushes and bordering shrubs went a long way towards sprucing up the entrances to the Settlement's Youth Center on Del Mar, and the "Civitan House" on Waverly Drive, an adult center recently acquired through the efforts of Pasadena City Directors, the Civitan Club and other civic and service organizations.

Mrs. Brewster Davison, president of the Pasadena Junior League Garden Club, was assisted in the Settlement landscaping by Mrs. Charles Black, Mrs. Kenneth Rhodes, Mrs. Paul K. Hill, Mrs. Charles Mount Jr., Mrs. M. E. Hamilton, Mrs. Mac Linton, Mrs. Charles Lyon, Mrs. Virgil Russell, Mrs. Benjamin Van Meter, Mrs. William Lake, Mrs. Joseph Welles, Mrs. Paul Starr, Mrs. F. T. Sheets Jr., Mrs. Robert Forcier, Mrs. Frank A. Thomas, Mrs. Walter Roundtree and Mrs. John W. Bradley.

## April 14 Set for Women's Council Spring Fashion Tea

The Women's Council of the Assumption of the Blessed Virgin Mary Catholic Church has scheduled its annual spring fashion tea for April 14 at 2 p.m. in the San Marino Woman's Clubhouse.

Mrs. Charles Klingerman, president, has announced the gala event will be under the co-chairmanship of Mrs. Har- ties Kitchens and Mrs. E. F. Elfers.

Last Saturday evening found members of Las Companeras and their husbands celebrating St. Patrick's Day at a dinner dance at Eaton's Santa Anita Restaurant. Shamrocks and the wearin' of the green" were very much in attendance.

Among those groups meeting for cocktails before the gala affair was one gathering at the W. Bernard Malones, 1110 Valley View. The guests included Mr. and Mrs. Dale R. Sandro, Mr. and Mrs. Gordon K. Wright, Mr. and Mrs. James A. Gittinger, Mr. and Mrs. Alpheus L. Pruitt, Mr. and Mrs. George A. Schuler, Mr. and Mrs. William H. Dixon, Mr. and Mrs. William F. Spalding and Mr. and Mrs. Brooks Thomas.

Mr. and Mrs. Kenneth W. Christianson, 1230 Coronet, entertained Mr. and Mrs. Victor E. Caffee, Mr. and Mrs. Neal Rowley, Mr. and Mrs. C. Don Hays, Mr. and Mrs. Gordon K. Wright, Mr. and Mrs. Dominic F. Giangregorio, Mr. and Mrs. Robert M. Fainer, Mr. and Mrs. Robert L. Farmer, Mr. and Mrs. Charles R. Harrison Jr. and Mr. and Mrs. Matthew A. Oliver Jr.

The Paul G. Kaponyas, 1060 Medford Rd., hosted the Gordon K. Wrights, William F. Spaldings, Brooks Thomases, J. Cranor Richters, Donald O. Clarks, David S. Hannahs, Andrew J. Fakases, Edward J. Liebers, Alpheus L. Pruitts and John L. Liebers.

Those friends meeting at the Raymond C. Driemeyers, 1111 Rexford, were Mr. and Mrs. Bruce Graham, Mr. and Mrs. Charles E. Cowen Jr., Mr. and Mrs. Arthur B. Shipman and Mr. and Mrs. A. Edsel Curry.

## Valerie Wright Celebrates Her Fourth Birthday

Little Valerie Jean Wright turned four years old the other day and celebrated in style with a Mickey Mouse party. She is the daughter of Mr. and Mrs. G. E. Wright, 3690 Landfair.

Pastel pink, yellow and green were used in decorations and a circus canopy with Mickey Mouse and his friends adorned the birthday cake.

Celebrating with Valerie Jean were brother Steve and Becky Jenkins, Denise Ellico, David Major, Ann Harris, Tommy Volby and Suste and Kathy Olsen.

## Difference Between Majors, Minors: No Soft Spots at Top

By Charles Ayres

**INSIDE BASEBALL:** Who is in the tightest spot, the pitcher or batter, when the count is 3 and 2 and it's a crucial point in the game? The pitcher who relies on breaking stuff has the advantage but it rests with the batter if the pitcher relies on a fast ball.

The authority for this is none other than Ben Wade, who has 13 years of professional pitching experience behind him.

Ben's theory is that without the deception of a breaking pitch, the pitcher isn't going to fool anyone and the batter will be set for him.

The big difference between major and minor league baseball, according to Ben, is that in the majors there are no soft spots in the batting order where a pitcher can relax a little.

They're all tough and a pitcher consequently needs more control. Even though games are just as hard to win in the minors, at least you'll generally find a fairly weak spot or two in the lineup where the maximum effort is not required.

Speaking of major league baseball, it is Ben's opinion that although it will come to the West Coast it will not come in the form of a third major league. There just aren't that many top flight players, he feels. As a matter of fact there aren't enough to fill the present 16 team rosters.

Another big difference between major and minor ball is the caliber of umpiring. It's strictly top flight in the big leagues and even there they'll miss one once in a while.

A pitcher like Robin Roberts, with fine control, will get the benefit in a close call as will a fine batter like Stan Musial or Ted Williams.

Speaking of Roberts, even though he's acknowledged to be the best pitcher in the National League, opposing batters prefer to hit against him because they know the ball

## Dance Club Party Has Irish Theme; No April Event

Little green leprechauns, fashioned of pipe cleaners and peanuts painted emerald, climbed over the branches of a miniature tree centering the buffet table, when the Hastings Ranch Dance Club danced at an Irish party.

The tables, lighted by green tapers, were covered with white and painted with typical Irish phrases. Wearing green top hats or green bows in their hair to carry out the theme were hosts and hostesses, Messrs. and Mmes. Charles Cole, Bob Farmer, Rolland Whited and Bill Caldwell. Guests also turned up in green dresses, jewelry, shirts, ties or socks.

The club will hold no dance in April, because of the Hastings Ranch Nursery School "Ranch Party" set April 14 at Altadena Town and Country Club. Dance Club parties usually are held the second Saturday in each month.

## FIRE FLAMES

By JAMES HEASLEY

What we used to call "grippe" is now "virus" or "flu" on simpin' like that, and if you have escaped either of these, you are fortunate indeed.

Being old, a recent dose of grippe has left a serious effect and because of this, the newly elected officers of the fire department have taken over. Youth reigns.

We are entering the fire season. This means that soon the green grass will turn brown and dry and fire will need little encouragement. Now is the time to get the future dry grass and weeds away from the incinerator or any other source of sparks.

HE WAS DEEPLY in love with his wife, but careless about money matters. He started on a business trip, leaving her short of money, and promised to send her a check, which he forgot to do. The rent came due and she telegraphed: "Dead broke. Landlord insisting. Wire me money."

"He answered: 'Am short myself. Will send check in a few days. A thousand kisses.' Exasperated, his wife replied: 'Never mind the money. I gave the landlord some of the kisses. He was more than satisfied.'"

ED DECKER hates castor oil. He stepped into the drug store the other day and asked how to take a dose of castor oil without tasting it. The clerk fooled around awhile and then asked Ed if he would like a glass of lemonade. Of course, he would.

"Well, did you taste it?" "Taste what?"

"The castor oil." "Good Heavens, was it in that lemonade? I wanted it for my dog."

THIS FRIDAY will be drill and meeting night. It is expected that we will have a good attendance. These regular gatherings are of vital importance and no member is an exception. Our responsibility is great and for any individual to relax is to indicate a lack of interest in this trusted duty.

Until other arrangements are presented and we remain the sole source of fire protection, the individual obligation to be active and interested in the prevention of fires is a solemn obligation.

TO SPEAK AT GOP DINNER

Charles H. Russell, governor of Nevada, will be the speaker and guest of honor at the regular monthly dinner meeting of the Los Angeles County Republican Assembly on March 27 at 7 p.m. at the Riverside Rancho, 3213 Riverside Drive, Los Angeles.

### Fred Phillips Enjoy Spring Trip to Mexico

Mr. and Mrs. Fred Phillips, 3865 Canfield, are another lucky couple just returned from a spring vacation. Sporting sunburns after a flying vacation to Mexico for two weeks, they report a pleasant and relaxing trip.

They spent a couple of days in Mexico City and the remainder of their visit in Acapulco.

### IT'S THAT TIME OF YEAR

It seems there are two times in each year when illness is most prevalent — fall and early spring. Then our bodies must frequently adjust to sudden changes in temperature. If they are in a run-down condition or have some habitual constitutional weakness, they cannot cope with these changes and illness takes over. Enjoy good health this spring. See your doctor now before the weather changes. Just as you can depend on him to detect deficiencies and prescribe remedial medicines, so you can depend on us to fill your prescriptions promptly and accurately, to supply you with any of the health needs he may advise.
